

Yellow warning Rain

Between
08:00 Mon 13 May 2024 and
23:59 Mon 13 May 2024

Heavy rain likely to bring some transport disruption and possible flooding in a few places.

What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is possible

Further details

A band of rain will move east across the area through Monday to bring a spell of heavy and persistent rain. Rain will reach Cornwall during Monday morning but won't reach eastern parts of the warning area until Monday afternoon. 20–30 mm of rain is expected to fall widely with as much as 40–50 mm over some hills.

Conditions will likely improve across Cornwall through the afternoon, but will persist across the east of the area until the end of the day.

 Medium likelihood of low impacts

Issued at 10:04 Sun 12 May, 2024

What should I do?

Check if your property could be at risk of flooding. If so, consider preparing a flood plan and an emergency flood kit.

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

Be prepared for weather warnings to change quickly: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.
